

Appl. No. 10/552,414

R E M A R K S

The EXAMINER'S AMENDMENT of claim 1, as set forth on page 2 of the Notice of Allowability, does not completely conform to the subject matter that was agreed to by the undersigned during a telephone interview with the Examiner on July 2, 2008.

In the aforesaid EXAMINER'S AMENDMENT, the terminology added to the third line from the bottom of claim 1 of "magnetic forces direction of" was not agreed to by the undersigned. Moreover, in the penultimate line of claim 1, the word "of" was requested by the undersigned to be inserted between the word "each" and the word "opposite."

The above amendment to claim 1 conforms to what the undersigned agreed to during the July 2, 2008 telephone interview with the Examiner.

Entry of this Amendment is respectfully requested.

Respectfully submitted,
